

EASTER EGGSTRAVAGANZA

Below are some fun activities you can be doing over what would have been the Easter holidays. In school we would have been learning about why some people celebrate Easter. Watch some of the videos on the Cbeebies page all about celebrating Easter (<https://www.bbc.co.uk/cbeebies/watch/lets-celebrate-easter>)

Sock Bunnies

Click the picture for instructions to create your very own Easter sock bunny. All you need is a sock, rice and some string. Decorate it however you like. These can also be found on pinterest if the link doesn't work.

Peek-a-boo clothes peg eggs

For the simple craft all you will need is a clothes peg, some coloured paper and some glue or tape. Remember if you don't have any coloured paper, white paper will do and you can colour it in. Draw & cut out your egg and chick. Stick the chick and the bottom half of the egg of the bottom of the peg. Stick the top half of the egg on the top of the peg. Make sure you stick them high enough so that when the peg closes the meet in the middle.

Toilet roll tube crafts

There are lots of craft ideas on pinterest which only require toilet roll tubes and paint or pens. Here are some of our favourite ideas. See if you can make these and research some of your own.

Easter Baking

Easter nests

Bunny cookies

Mini-egg biscuits

Why not try some Easter baking over the holidays? You could decorate biscuits or make some of your own treats. Why not write your own recipe book of Easter treats? Remember to start your instructions with bossy verbs.

Easter games

There are lots of ideas for Easter games online. Some of our favourite are:

- Plan an Easter egg scavenger hunt
- Pin the tail on the Easter bunny
- Egg and spoon race
- Easter obstacle course in the garden with lots of Easter challenge and races

Can you create your own Easter game?

Other activities

- Paint hard boiled eggs and roll them down a hill as a race.
- Create an Easter Wreath for your door
- Make and write an Easter card for your family or to post to your friend from school.

We hope you have a wonderful Easter break and enjoying making some egg-cellent crafts! Remember to take pictures of everything you make and stick them in your home-school book.
